

# THE QUANTUM KEY

*The Simple Guide to the Quantum World  
Unlock Your Infinite Abundance*

Foreword by Peter Lindemann

Author of *Free Energy Secrets of Cold Electricity*

In Spokane, Aaron Murakami enjoys working online full time from home. He is a founding member of Energetic Science Ministries as well as being the marketing director of PATHS. Aaron enjoys researching and developing paradigm-shattering, energy producing, consciousness boosting, and agricultural enhancement technologies.

## THE QUANTUM KEY

The Simple Guide to the Quantum World  
Unlock Your Infinite Abundance

Aaron C. Murakami

Learn the concepts behind open systems so you can attract more to yourself than you transmit to the universe.

Learn how an energy producing device can output more than you input and learn why it doesn't violate the laws of physics no matter what the so-called experts claim.

Shatter the chains of the cookie-cutter worldview being force fed to everyone constantly. The answers are more simple than you think and they have been right in front of your eyes the entire time.

Are you brave enough to challenge your paradigms?

The Quantum Key is the must have, must read book for anyone who was a fan of *What the Bleep* and *The Secret* or any consciousness sciences, abundance systems concepts or free energy technologies. Learn a Unified Field Philosophy that walks one through what the quantum potential actually is and how to channel it from a virtual state to an observable state that causes effects in the physical world. Learn how mass and matter are made possible because of quantum potential, and also explore the simplest model of gravity and inertia and much more. The most important part of the book is the clarification of the difference between open and closed thermodynamic systems and how open systems can freely output more than one has to input into the system without violating any physical laws at all. Truly the physics of abundance!

*"I have read The Quantum Key 5 times now since I bought it in Vegas from you. It most definitely awakened/enlightened me to the power of/ and truth of our being. We are consciousness. I was empowered with the chapter showing the distinction between open and closed systems. I am forever grateful for your effort and deliberate work to consciously awaken others!"* - Grace Haeusler, Winner of 3 Gold, 2 Silver and 1 Bronze Medals in Karate at The Wide World of Sports 2007

*"...it seems you hit the nail square on its head with the The Quantum Key book. Well done, spot on."* - Joel Rault, Director of EcoCircle® Organic Farming Method

*"After reading The Quantum Key I finally understand the quantum nature of our universe and our individual lives. Literally a whole new world was opened up to me that affects my understanding and quality of daily living. While the phrase "quantum physics" can be intimidating, and also esoteric in nature, I found this book to be very practical in improving my life. I wholeheartedly recommend reading this book ASAP!"* - Kevin Pirollo, Originator of Pre-Paid Phone Cards in the United States

## HOW TO ORDER THIS BOOK:

White Dragon Press titles are distributed by Energetic Science Ministries

Order Online: <http://www.esmhome.org/shop>
